Inaccurate saccade	51 %	61 %
Accurate saccade	15 %	15 %

A horizontal stacked bar chart showing the distribution of eye movements for five categories. The x-axis represents the percentage of total eye movements, ranging from 0 to 1500. The y-axis lists the categories. The bars are stacked with different colors: purple, teal, green, yellow, orange, and pink. The percentages are labeled at the end of each bar.
